TRIAL ENTRY INFORMATION

Trial Entry Open and Closing

- The draw period for the trial will open on Monday, April 11, 2022 at 12:00 PM noon Eastern Time. Entries will be awarded by random draw of all entries received between 12:00 PM noon Eastern Time on Monday, April 11, 2022 and 12:00 PM noon Eastern Time on Wednesday, April 13, 2022.
- Trial entry will close at the end of the draw if the trial and wait list are deemed full. If the trial and wait list are not full, the trial will remain open for entries until they are deemed full or on the day of the trial.
- We will not be taking payment until you are given a space in the trial. If you are given a space in the trial, you will receive information on how to submit payment. You will then have **5 days** to complete your payment via Stripe or postmark your mail to confirm your space in the trial.

Entry Method

All entries will be on-line via the link provided to the NACSW™ trial entry form. Paper and phone entries will not be accepted. Completing the form is not a guarantee of entry. You will receive an auto-response email confirming that we received your trial entry after registration - this email does not confirm your space in the trial. There will be a separate confirmation from WonderWoman@redhuskies.com to let you know if your entry has been given a space in the trial.

Entry Requirements & Selection

A Qualified Entry is one that meets all the following criteria:

1. Complete the online trial entry during the draw period listed above.
2. The Handler is a NACSW™ member for the 2021 -2022 membership year (8/1/21- 7/31/22).
3. The Dog is registered with the NACSW™
4. Dogs participating in a trial must be at least one year of age.
5. The Dog has achieved the ORT title (passed all 3 odors) and prior title level at least 14 days before the trial opens for entries. This applies to all levels effective April 1, 2021.
6. Qualified entry for Summit League – Dog dog has earned an ELT-CH or ELT3 title at least 14 days before the trial opens for entries. Any dog that has trialed twice in Summit League Trials during the calendar year will be considered to be an FEO entry for additional Summit League Trials.

Trial spaces will be determined in the following manner:

- Spaces will be awarded by a random draw of all Qualified Entries received during the draw period listed above. For Summit trials teams that meet the ELT-CH title requirement will be placed above teams that meet the ELT3 requirement in the draw.
- In the event that you are having technical difficulties with the entry system, please email trialentry@nacsw.net prior to the end of the draw period.
- No dog will be given a space in more than one trial of the same level at a single event.
- You may enter multiple dogs for entry in the draw. However, only one dog/handler per title level will be accepted into the trial. Entry will go to the dog selected in the draw – you may not swap to an alternate dog. If multiple dogs are selected in the draw, you may select which dog you wish to enter. Once a dog has been entered as a second dog/handler entry, you may not swap handlers after the draw to change the entry to a first dog/handler unless the trial is not full.
- If a trial level is not full after the draw of Qualified Entries, then there will be a Secondary Draw of any entries received that did not meet the ORT or title requirements. These entries will be accepted pending completion of the requirements. Note: dogs must earn the appropriate ORT and prior title level at least 3 days prior to the trial date to be eligible to compete. If the required title or ORT is earned less than 14 days prior to the event, it is the competitor's responsibility to notify the host that the requirement has been completed.
- If the trial level and wait list are not full after all entries received during the draw period have been processed, entries will continue to be accepted in the order they are received

until the trial and wait list are deemed full.

- For Exhibit Only Dogs (FEO): Dogs running FEO are not eligible to receive titles or earn placement ribbons. FEO results will not be included in the posted trial results.
 - If space remains after all qualified entries are accommodated on Wednesday, May 11, 2022, then we will offer spaces for those who wish to run a dog For Exhibition Only (FEO). Second dog/handler FEO entries on the same day will be offered spaces after Sunday, May 15, 2022.
- The trial host of an event has the right to refuse entry of any competitor or dog for just cause as approved by the National Trial Committee. Just cause includes lack of adherence to NACSW™ rules and guidelines and the policies outlined in each event entry premium.
- Some trial entries may be given priority entry based on contributions to the organization and the trial process.

You will be notified via e-mail of the results of the random draw by end of day on Monday, April 18, 2022. You will then have 5 days to complete your payment via Stripe, PayPal or postmark your mail to confirm your space in the trial. Stripe payment link will be provided in the confirmation email. PayPal info is as follows: Paypal or credit card through the Paypal site - no Paypal account required. Please check "Sending money to a friend" to eliminate fees for both parties. If there is a PayPal fee, you will incur the fee, and submit total payment as the trial fee plus the PayPal fee. LOCATION DETAILS

Trial Conditions

Modeled after real-life detection work, NACSW trials are held in many different locations, with a variety of terrain, under varying weather conditions. Dogs and handlers need to be able to safely negotiate a variety of surfaces, including, but not limited to, tile, linoleum, carpeting, gravel, asphalt, uneven surfaces, and slippery footing. Handlers should be prepared to deal with a variety of weather conditions, including heat, cold, rain and snow. Trials frequently require covering extensive distances to get to and from the parking area to each of the search areas and generally require that this be done across natural, uneven surfaces. Handlers should be prepared for the physical demands and must be able to navigate the terrain with their dog accordingly. Participants should expect to spend most of the day outside or in their vehicles as there are rarely indoor

crating options at trials. Please be prepared for you and your canine partner to deal with all of these varying environmental challenges. Handlers should familiarize themselves with potential regional risks and health concerns that may affect themselves or their dogs. Handlers agree that they are entering this trial at their own risk.

ADA Site Specific Conditions

Pathways to/from the restrooms and many search areas are paved, stone, or sidewalk. Some pathways to/from search areas, as well as within some search areas, may require you to navigate grass, gravel, stone/brick pathways, or dirt. The terrain is mild and moderate. There may be stairways, steps, or bleachers, with or without handrails, entering or within the search areas. Interior floors may be of any material and may be carpet or shiny.

Parking:

This trial location is on a university campus. The university is divided into two main parts of the campus: the academic side and the athletic side, separated by U.S. Route 15. Each trial day may be located on a separate side of campus. The host will make best efforts to indicate in the final details email which side of the campus you should report to. However, this information may change last minute and competitors will be notified the day before or signs will be posted directing you to the location. There is parking on both sides of the campus but also an underpass for walking between the two sides safely. Since this trial takes place during late spring, competitors should be prepared for all types of conditions, including warm conditions, in the parking lot. There is no shade in the competitor parking lot. Due to unforeseen conditions, such as weather or change in the availability of areas at the location, the expected search areas, parking, and pathways to the search areas may be modified at the last minute.

There may be an indoor crating option. Details will be provided in the final details letter.

Reactive Dog Parking:

There will be a small reactive dog parking area at this trial for those who wish to park in this area. There will be a reactive dog potty area, however this may be a smaller area or longer walk. There will not be separate warm up boxes. Due to unforeseen conditions, such as weather or change in availability of areas at the location, this policy may be modified at the last minute.

Unentered Dogs

Unentered dogs must remain in the competitor's vehicle during the trial day. There will be ample potty areas, but unentered dogs should not be allowed to "play," exercise, or train on the trial grounds.

RV Parking:

This trial location has limited RV parking during the day for competitors and volunteers. There is also limited RV parking overnight. RVs must be fully self-contained (the facility does not provide water, electricity, gas or sewage dump). Overnight parking is located on the athletic side of the campus only. To reserve a space you will need to contact the host after you receive a confirmation that you have received a space in the event. Please email WonderWoman@redhuskies.com to reserve RV space. You will need to pre-register your vehicle with Public Safety (located on the academic side of the campus). Additionally, there are other sites, campgrounds, and RV parks that allow overnight RV parking with some offering possible water, electricity, sewage, etc. It is the competitor/volunteer's responsibility to reserve a space with the host or make other (overnight) arrangements for their RV outside of trial hours.

Running Vehicles or Generators in the Parking Lot:

Running your vehicles or generators in the parking lot is allowed at this trial. We ask that you show consideration for fellow competitors parked near you, remain away from staging areas, warm up boxes and parking lot numbers. There may be a separate parking area for those needing to run generators due to exhaust and noise.

May weather in Maryland is unpredictable but typically wet. You may wish to run your vehicle to keep warm or cool.

Due to unforeseen conditions, such as weather or change in the availability of areas at the location, this policy may be modified at the last minute.

Smoking:

Smoking is not allowed on this trial site, including the use of e-cigarettes.

Hotels and Directions:

There are hotels located within a mile from the stadium and more within a few miles..

DOG INFORMATION

Dog Policies:

- All dogs must be on a 6' leash at all times when not being tested. NO flexi-leashes while not participating in a competition search.
- Dogs that need space from dogs may wear a red bandana, provided by the dog's handler, to help signal others that the dog needs extra space from dogs.
- Dogs will be toileted in designated areas and handlers must pick-up and dispose of waste.
- Dogs and handlers must stay in designated areas to avoid contaminating testing space, interrupting a test, or from viewing any part of the testing.
- Competitors should expect to keep their dogs confined in a crate or vehicle when

not competing. The logistics of a trial typically do not allow for dogs to hang out on leash in between searches. Competitors should plan to provide their own shade using canopies or shade cloths.

- Refer to Location Details (above) for information on unentered dogs.

Females in Season:

Will be allowed to run wearing “pants” at the very end of the running orders after all other dogs have been judged. Females in season will be parked and pottied in areas separate from the other dogs while at the trial if the location logistics permit. Handlers must contact WonderWoman@redhuskies.com so plans can be made for the dog.

OTHER INFORMATION

Rules:

Complete rules are available at www.NACSW.net. **It is the responsibility of each competitor to read and understand the current NACSW™ Rule book prior to participating in a NACSW™ event.**

Liability:

By registering for the trial, the competitor hereby assumes all risks of, and responsibility for, accidents and/or damage to her/himself or to her/his property or to others, resulting from the actions of her/his dog. The competitor expressly agree that the NACSW™, Red Huskies and its assignees or any other person, or persons, of said groups, shall not be held liable personally, or collectively, under any circumstances, for injury, and/or damage to her/himself, for loss or injury to property, whether due to uncontrolled dogs or negligence of any member of said groups, or any other cause, or causes. The competitor also agrees to assume all financial liability that may be incurred by the NACSW™ due to the actions of themselves or their dogs regardless of the cause.

Sportsmanship:

All competitors/handlers and spectators are expected to follow the rules of the NACSW™ and demonstrate good sportsmanship. This includes making sure the hide placements are unknown to the handler prior to testing and kept secret from other competitors. Please do not discuss hide placement or any details of a dog's performance that may provide information or clues to other handlers or may be overheard.

Summit League Titles

The SMT Title is earned by placing in the top 20% overall of competing teams at a Summit League Trial.

No. of Competing Teams	No. of Titles to be Awarded
0 to 4	0
5 to 9	1
10 to 14	2
15 to 19	3
20 to 24	4
25 to 29	5

In the event of a tie for the last titling placement, both teams would receive a title. For example, if there are 25 competing teams and there was a tie for 5th place, both teams would receive a SMT title for a total of 6 titles given at that trial.

NACSW™ Results:

Results for each search and overall will be posted after all searches are completed and scores are verified for you to record your results for your own records. It is your responsibility to ensure your scores are accurate prior to leaving trial grounds. In the event that a discrepancy cannot be verified at the trial, you may be instructed to submit a score card review request. It is not the responsibility of the host or NACSW to return score sheets that are left behind or to mail ribbons that are not picked up.

Spectators:

Additional guests are welcome, however, spectating opportunities may be limited due to social distancing requirements. Please contact WonderWoman@redhuskies.com if you have further questions.

An adult accompanying a minor must be present during the searches. Everyone at the trial site must sign the waiver provided by the host and comply with all event requirements.

Competitors are not allowed to watch the trial at any time.

Videotaping and Photography

At the host's discretion, a photographer and/or video service may be present during the trial to offer photos and/or videos for sale to the competitors.

If the site allows public video to be taken, handlers may wear visible head or chest cameras to record their searches. You will not be allowed extra time at the start line to get your camera functioning. Please be sure it is ready to go prior to arriving at the search area. Videos may not be

made public until completion of the trial day.

As a condition of your entry, you agree to allow NACSW, or their agents, to video you and your dog during the entirety of the NACSW event. These videos are the property of NACSW. All competitors, through entry at any NACSW event, waive any and all rights relative to video broadcast or photography of such event.
