## TRIAL ENTRY INFORMATION

### **Trial Entry Open and Closing**

- The draw period for the trial will open at noon EST on April 18,2023. Entries will be awarded by random draw of all entries received between April 18, 2023 and April 20, 2023 noon EST.
- Trial entry will close at the end of the draw if the trial and wait list are deemed full. If the trial and wait list are not full, the trial will remain open for entries until they are deemed full or the day of the trial.
- We will not be taking payment until you are given a space in the trial. If you are given a space in the trial, you will receive information on how to submit payment. You will then have 3 days to complete your payment to confirm your space in the trial.

### **Entry Method**

All entries will be on-line via the link provided to the NACSW trial entry form. Paper and phone entries will not be accepted. Completing the form is not a guarantee of entry. You will receive a confirmation from [info@corneliaheckenbach.com](mailto:info@corneliaheckenbach.com) to let you know if your entry has been given a space in the trial.

### **Entry Requirements & Selection**

**A Qualified Entry is one that meets all the following criteria:**

1. Complete the on-line trial entry during the draw period listed above.
2. The Handler is a NACSW member in good standing for the 2022-2023 membership year (8/1/22 - 7/31/23).
3. The Dog is registered and in good standing with the NACSW.
4. Dogs participating in a trial must be at least one year of age.
5. The Dog has achieved the ORT title (passed all 3 odors) and prior title level at least 14 days before the trial opens for entries. This applies to all levels effective April 1, 2021.
6. Qualified entry for Level 2 – Dog has earned the Level 1 title for Containers but has not yet earned the Level 2 title for Containers.  
Qualified entry for Level 3 – Dog has earned the Level 2 title for Exteriors but has not yet earned the Level 3 title for Exteriors  
Qualified entry for NW3 – Dog has earned a NW2 title and has not yet earned the NW3 Elite title level.  
Qualified entry for NW1 – Dog has not yet earned a NW1 title level.

**Trial spaces will be determined in the following manner:**

- Spaces will be awarded by a random draw of all Qualified Entries received during the draw period listed above.
- In the event that you are having technical difficulties with the entry system, please email [trialentry@nacsww.net](mailto:trialentry@nacsww.net) prior to the end of the draw period
- No dog will be given a space in more than one trial of the same level at a single event.
- You may enter multiple dogs for entry in the draw. However, only one dog/handler per title level will be accepted into the trial. Entry will go to the dog selected in the draw – you may not swap to an alternate dog. If multiple dogs are selected in the draw, you may select which dog you wish to enter. Once a dog has been entered as a second dog/handler entry, you may not swap handlers after the draw to change the entry to a first dog/handler unless the trial is not full.
- If a trial level is not full after the draw of Qualified Entries, then there will be a Secondary Draw of any entries received that did not meet the ORT title or title requirements. These entries will be accepted pending completion of the requirements. **Note:** dogs must earn their ORT title and prior title level at least 3 days prior to the trial date to be eligible to compete. If the required title or ORT title is earned less than 14 days prior to the event, it is the competitor's responsibility to notify the host that the requirement has been completed.
- If the trial level and wait list are not full after all entries received during the draw period have been processed, entries will continue to be accepted in the order they are received until the trial and wait list are deemed full.
- For Exhibit Only Dogs (FEO): Dogs running FEO are not eligible to receive titles or earn placement ribbons. FEO results will not be included in the posted trial results. If space remains after qualified entries are accommodated on May 24, 2023 then we will offer spaces for those who wish to run For Exhibition Only (FEO). Second dog/handler FEO entries on the same day will be offered spaces after May 28 ,2023.
- The trial host of an event has the right to refuse entry of any competitor or dog for just cause as approved by the National Trial Committee. Just cause includes lack of adherence to NACSW rules and guidelines and the policies outlined in each event entry premium.
- Some trial entries may be given priority entry based on contributions to the organization and the trial process.

You will be notified via e-mail of the results of the random draw by April 26, 2023.

If you have a spam blocker on your email account, please configure it to allow email from [info@corneliaheckenbach.com](mailto:info@corneliaheckenbach.com) or [wonderwoman@redhuskies.net](mailto:wonderwoman@redhuskies.net) in order to ensure delivery of confirmation and information about this trial.

You will then have 3 days to complete your payment to confirm your space in the trial. Trial payments will be accepted by Paypal. Information regarding the account to send Paypal payments will be included in the confirmation email.

A waiting list for alternates will be started as soon as entries fill.

Alternates will be contacted when a space opens.

Depending on last minute trial logistics, we may opt to not fill all canceled spaces.

NACSW reserves the right to cancel a trial if minimum entry numbers are not met.

## LOCATION DETAILS

Modeled after real-life detection work, NACSW trials are held in many different locations, with a variety of terrain, under varying weather conditions. Dogs and handlers need to be able to safely negotiate a variety of surfaces, including, but not limited to, tile, linoleum, carpeting, gravel, asphalt, uneven surfaces, and slippery footing. Handlers should be prepared to deal with a variety of weather conditions, including heat, cold, rain and snow. Trials frequently require covering extensive distances to get to and from the parking area to each of the search areas and generally require that this be done across natural, uneven surfaces. Handlers should be prepared for the physical demands and must be able to navigate the terrain with their dog accordingly. Participants should expect to spend most of the day outside or in their vehicles as there are rarely indoor crating options at trials. Please be prepared for you and your canine partner to deal with all of these varying environmental challenges. Handlers should familiarize themselves with potential regional risks and health concerns that may affect themselves or their dogs. Handlers agree that they are entering this trial at their own risk.

## **TUCKAHOE STEAM AND GAS (NW3, L3E, and L2C):**

### **ADA Site Specific Conditions**

This is a Museum site and there are walks on gravel and uneven terrain like grass. There will be walking involved, we will try to accommodate driving to search sites.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, these conditions may be modified at the last minute.

### **Parking**

The parking lot has plenty of space, it is gravel or grass depending on where we will set it up.

### **Reactive Dog Parking**

There will be reactive dog parking due to the big spaces, however there will not be separate potty areas or warm up boxes.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, this policy may be modified at the last minute.

### **Unentered Dogs**

Unentered dogs must remain in the competitor's vehicle during the trial day. There will be ample potty areas, but unentered dogs should not be allowed to "play", exercise, or train on the trial grounds.

### **RV Parking**

There is space for RVs to park in the competitor parking area during the trial day. To reserve a space, you will need to contact the host after you receive a confirmation that you have received a space in the trial. Email [info@corneliaheckenbach.com](mailto:info@corneliaheckenbach.com) to reserve RV space. No overnight RV parking is available.

### **Running Vehicles or Generators in the parking lot**

Running vehicles or generators in the parking lot is allowed.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, this policy may be modified at the last minute.

### **Smoking**

Smoking is not allowed at either one of trial sites, including the use of e-cigarettes

### **Hotels:**

There are hotels located within 10 minutes from the site.

## **FIRE MUSEUM OF MARYLAND (NW1):**

**ADA Site Specific Conditions:** The restrooms inside are located on ground level, however, due to line of sight competitors may need to use a portajohn in the parking lot. Most searches are on ground level, however, there may be some stairways to/from search or staging areas, and there may be a few steps entering, within, or exiting search areas. Interior floors may have carpet, wood or sealed concrete flooring that could be shiny. Exterior search areas may be on pavement, gravel, dirt or grass. Vehicles or containers may be on a slightly sloped paved area.

### **Parking:**

The parking lots are paved and/or loose gravel. There is handicap parking available. Pathways from the parking lot to search areas are mostly on pavement and are a short distance. There is no shade in the competitor parking lot. Dog potty areas will be the grass/tree line surrounding the

parking lot and small grassy areas within the parking lot. Since this trial takes place during summer, competitors should be prepared for hot conditions in the parking lot (see running cars in parking lot below). Due to unforeseen conditions, such as weather or change in the availability of areas at the location, the expected search areas, parking, and pathways to the search areas may be modified at the last minute.

### **RV Parking:**

This trial location has ample RV parking for competitors and volunteers, during the day. RVs must be fully self-contained (the facility does not provide water, electricity, gas or sewage dump). Overnight RV parking is allowed at this trial location. Additionally, there are other sites, campgrounds, and RV parks that allow overnight RV parking with some offering possible water, electricity, sewage, etc. It is the competitor/volunteer's responsibility to make other (overnight) arrangements for their RV outside of trial hours. Due to unforeseen conditions, such as weather or change in availability of areas at the location, this policy may be modified at the last minute.

### **Running Vehicles or Generators in the Parking Lot:**

Running your vehicles or generators in the parking lot is allowed at this trial. We ask that you show consideration for fellow competitors parked near you, remain away from staging areas, warm up boxes and parking lot numbers. There may be a separate parking area for those needing to run generators due to exhaust and noise. June weather in Maryland is typically hot. You may wish to run your vehicle to keep cool. Due to unforeseen conditions, such as weather or change in the availability of areas at the location, this policy may be modified at the last minute.

### **Smoking**

Smoking is not allowed at either one of trial sites, including the use of e-cigarettes

### **Hotels:**

There are hotels located within 10 minutes from the site.

## **DOG INFORMATION**

### **Dog Policies**

- All dogs must be on a 6' leash at all times when not being tested. NO flexi-leashes while not participating in a competition search.
- Dogs that need space from dogs may wear a red bandana, provided by the dog's handler, to help signal others that the dog needs extra space from dogs.
- Dogs will be toileted in designated areas and handlers must pick-up and dispose of waste.
- Dogs and handlers must stay in designated areas to avoid contaminating testing space, interrupting a test, or from viewing any part of the testing.
- Competitors should expect to keep their dogs confined in a crate or vehicle when not competing. The logistics of a trial typically do not allow for dogs to hang out on leash in between searches. Competitors should plan to provide their own shade using canopies or shade cloths.
- Refer to Location Details (above) for information on unentered dogs.

### **Females in Season**

Will be allowed to run wearing "pants" at the very end of the running orders after all other dogs have been judged. Females in season will be parked and pottied in areas separate from the other dogs while at the trial if the location logistics permit. Handlers must contact [info@corneliaheckenbach.com](mailto:info@corneliaheckenbach.com) so plans can be made for the dog.
