TRIAL ENTRY INFORMATION

Trial Entry Open and Closing

- The draw period for the trial will open on Wednesday, November 20, 2024 at 12:00 PM noon Eastern Time. Entries will be awarded by random draw of all entries received between 12:00 PM noon Eastern Time on Wednesday, November 20, 2024 and 12:00 PM noon Eastern Time on Friday, November 22, 2024.
- Trial entry will close at the end of the draw if the trial and wait list are deemed full. If the trial and wait list are not full, the trial will remain open for entries until they are deemed full or the day of the trial.
- We will not be taking payment until you are given a space in the trial. If you are given a space in the trial, you will receive information on how to submit payment. You will then have **3 days** to complete your payment to confirm your space in the trial.

Entry Method

All entries will be on-line via the link provided to the NACSW trial entry form. Paper and phone entries will not be accepted. Completing the form is not a guarantee of entry. You will receive a confirmation from WonderWoman@redhuskies.com to let you know if your entry has been given a space in the trial.

Entry Requirements & Selection

A Qualified Entry is one that meets all the following criteria:

1. Complete the on-line trial entry during the draw period listed above.
2. The Handler is a NACSW member in good standing for the 2024-2025 membership year (8/1/24 - 7/31/25).
3. The Dog is registered and in good standing with the NACSW.
4. Dogs participating in a trial must be at least one year of age.
5. The Dog has achieved the prior title level and ORT title (passed all 3 odors) at least 14 days before the trial opens for entries. This applies to all levels.
Qualified entry for Elite Premier– Dog has earned their ELT-CH title. Note that teams with Summit titles are also eligible to compete.
Qualified entry for Elite – Dog has earned a NW3 elite title and has not yet earned an ELT-CH title.
Qualified entry for Elite Select– Dog has earned a minimum of one NW3 title or any one L3 title (L3I, L3E, L3C, or L3V). Note that teams with higher titles (Elite Division and Summit) are also eligible to compete.

Trial spaces will be determined in the following manner:

- Spaces will be awarded by a random draw of all Qualified Entries received during the draw period listed above.

- Once the trial opens for entry, if you are having technical difficulties entering during the 48 hour draw period, please email trialentry@nacsw.net prior to the end of the draw period. For any other questions that are not related to the trial entry system, contact the trial host.
- No dog will be given a space in more than one trial of the same level and type at a single event.
- You may enter multiple dogs for entry in the draw. However, only one dog/handler per title level will be accepted into the trial. Entry will go to the dog selected in the draw – you may not swap to an alternate dog. If multiple dogs are selected in the draw, you may select which dog you wish to enter. Once a dog has been entered as a second dog/handler entry, you may not swap handlers after the draw to change the entry to a first dog/handler unless the trial is not full.
- If a trial level is not full after the draw of Qualified Entries, then there will be a Secondary Draw of any entries received that did not meet the ORT title or title requirements. These entries will be accepted pending completion of the requirements. **Note:** dogs must earn their ORT title and prior title level at least 3 days prior to the trial date to be eligible to compete. If the required title or ORT title is earned less than 14 days prior to the event, it is the competitor's responsibility to notify the host that the requirement has been completed.
- If the trial level and wait list are not full after all entries received during the draw period have been processed, entries will continue to be accepted in the order they are received until the trial and wait list are deemed full.
- Second dog/handler entries may be accepted for the alternate trial of the same level after all first dog/handler entries received during the draw period are accommodated.
- For Exhibit Only Dogs (FEO): Dogs running FEO are not eligible to receive titles or earn placement ribbons. FEO results will not be included in the posted trial results.
 - If space remains after all qualified entries are accommodated on Saturday, December 21, 2024, then we will offer spaces for those who wish to run a dog For Exhibition Only (FEO). Second dog/handler FEO entries on the same day will be offered spaces after Tuesday, December 24, 2024.
- The trial host of an event has the right to refuse entry of any competitor or dog for just cause as approved by the National Trial Committee. Just cause includes lack of adherence to NACSW rules and guidelines and the policies outlined in each event entry premium.
- Some trial entries may be given priority entry based on contributions to the organization and the trial process.

LOCATION DETAILS

ADA Site Specific Conditions

Pathways to/from search areas are mostly paved or concrete, but some may require you to navigate grass, stone pathways, wooded areas, or dirt pathways on mild terrain or slightly inclined. There may be stairways to/from search or staging areas or within search areas, and there may be steps entering or within search areas. There are multiple levels to the building. There are elevators located on site but depending on the search area, they may not be available. There may driving to searches.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, these conditions may be modified at the last minute.

Trial Conditions

Modeled after real-life detection work, NACSW trials are held in many different locations, with a variety of terrain, under varying weather conditions. Dogs and handlers need to be able to safely negotiate a variety of surfaces, including, but not limited to, tile, linoleum, carpeting, gravel, asphalt, uneven surfaces, and slippery footing. Handlers should be prepared to deal with a variety of weather conditions, including heat, cold, rain and snow. Trials frequently require covering extensive distances to get to and from the parking area to each of the search areas and generally require that this be done across natural, uneven surfaces. Handlers should be prepared for the physical demands and must be able to navigate the terrain with their dog accordingly. Participants should expect to spend most of the day outside or in their vehicles as there are rarely indoor crating options at trials. Please be prepared for you and your canine partner to deal with all of these varying environmental challenges. Handlers should familiarize themselves with potential regional risks and health concerns that may affect themselves or their dogs. Handlers agree that they are entering this trial at their own risk.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, these conditions may be modified at the last minute.

Parking:

The parking lots are paved and on grass. There is no shade in the competitor parking lot. The competitor parking lot is located on one side of the building, and searches may be on either side of the building. Restrooms are located upstairs or down the hallway. There may be driving to some search areas. Since this trial takes place during winter, competitors should be prepared for all types of conditions in the parking lot. Due to unforeseen conditions, such as weather or change in the availability of areas at the location, the expected search areas, parking, and pathways to the search areas may be modified at the last minute.

Reactive Dog Parking:

There will be reactive dog parking area at this trial for those who wish to park in this area. There will be a reactive dog potty area, however this may be a smaller area or longer walk. There will not be separate warm up boxes. Due to unforeseen conditions, such as weather or change in availability of areas at the location, this policy may be modified at the last minute.

Unentered Dogs

Unentered dogs must remain in the competitor's vehicle during the trial day. There will be ample potty areas, but unentered dogs should not be allowed to "play," exercise, or train on the trial grounds.

RV Parking:

This trial location has ample RV parking during the day for competitors and volunteers. Parking may be on grass. Overnight RV parking is currently not allowed at this trial location but this policy may change. If overnight parking is allowed, competitors will be notified. RVs must be fully self-contained (the facility does not provide water, electricity, gas or sewage dump). Additionally, there are other sites, campgrounds, and RV parks that allow overnight RV parking with some offering possible water, electricity, sewage, etc.

Running Vehicles or Generators in the Parking Lot:

Running your vehicles or generators in the parking lot is allowed at this trial. We ask that you show consideration for fellow competitors parked near you, remain away from staging areas, warm up boxes and parking lot numbers. There may be a separate parking area for those needing to run generators due to exhaust and noise.

December weather in Maryland is typically cold. You may wish to run your vehicle to keep warm. Due to unforeseen conditions, such as weather or change in the availability of areas at the location, this policy may be modified at the last minute.

Facility/Site Prohibitive Restrictions (e.g., smoking, firearms, alcohol, drugs, video)

There is no smoking, firearms, alcohol or drugs allowed at this location.

Hotels and Directions:

There are hotels located within 15 minutes from the site.

Dog Policies

- All dogs must be on a 6' leash at all times when not being tested. NO flexi-leashes while not participating in a competition search.
- Dogs that need space from dogs may wear a red bandana, provided by the dog's handler, to help signal others that the dog needs extra space from other dogs.

- Dogs and handlers must stay in designated areas to avoid contaminating testing space, interrupting a test, or from viewing any part of the testing.

Females in Season

Females in season will be allowed to run wearing "pants" at the end of each search after all other dogs have been judged.
