TRIAL ENTRY INFORMATION

Trial Entry Open and Closing

- The draw period for the trial will open on Thursday, April 3, 2025 at 12:00 PM noon Eastern Time. Entries will be awarded by random draw of all entries received between 12:00 PM noon Eastern Time on Thursday, April 3, 2025 and 12:00 PM noon Eastern Time on Saturday, April 5, 2025.
- Trial entry will close at the end of the draw if the trial and wait list are deemed full. If the trial and wait list are not full, the trial will remain open for entries until they are deemed full or the day of the trial.
- We will not be taking payment until you are given a space in the trial. If you are given a space in the trial, you will receive information on how to submit payment. You will then have **3 days** to complete your payment to confirm your space in the trial.

Entry Method

All entries will be on-line via the link provided to the NACSW trial entry form. Paper and phone entries will not be accepted. Completing the form is not a guarantee of entry. You will receive a confirmation from **WonderWoman@redhuskies.com** to let you know if your entry has been given a space in the trial.

Entry Requirements & Selection

A Qualified Entry is one that meets all the following criteria:

1. Complete the on-line trial entry during the draw period listed above.
2. The Handler is a NACSW member in good standing for the 2024-2025 membership year (8/1/24 - 7/31/25).
3. The Dog is registered and in good standing with the NACSW.
4. Dogs participating in a trial must be at least one year of age.
5. The Dog has achieved the prior title level and ORT title (passed all 3 odors) at least 14 days before the trial opens for entries.This applies to all levels.
6. Qualified entry for Summit League – Dog has earned an ELT-CH or ELT3 title at least 14 days before the trial opens for entries. Any dog that has trialed three times in Summit League Trials during the calendar year will be considered to be an FEO entry for additional Summit League Trials.

Trial spaces will be determined in the following manner:

- Spaces will be awarded by a random draw of all Qualified Entries received during the draw period listed above. Summit trials teams that meet the ELT-CH title requirement will be placed above teams that meet the ELT3 requirement in the draw.
- Once the trial opens for entry, if you are having technical difficulties entering during the 48

hour draw period, please email trialentry@nacsw.net prior to the end of the draw period. For any other questions that are not related to the trial entry system, contact the trial host.

- No dog will be given a space in more than one trial of the same level and type at a single event.
- You may enter multiple dogs for entry in the draw. However, only one dog/handler per title level will be accepted into the trial. Entry will go to the dog selected in the draw – you may not swap to an alternate dog. If multiple dogs are selected in the draw, you may select which dog you wish to enter. Once a dog has been entered as a second dog/handler entry, you may not swap handlers after the draw to change the entry to a first dog/handler unless the trial is not full.

- If a trial level is not full after the draw of Qualified Entries, then there will be a Secondary Draw of any entries received that did not meet the ORT title or title requirements. These entries will be accepted pending completion of the requirements. **Note:** dogs must earn their ORT title and prior title level at least 3 days prior to the trial date to be eligible to compete. If the required title or ORT title is earned less than 14 days prior to the event, it is the competitor's responsibility to notify the host that the requirement has been completed.

- If the trial level and wait list are not full after all entries received during the draw period have been processed, entries will continue to be accepted in the order they are received until the trial and wait list are deemed full.

- For Exhibit Only Dogs (FEO): Dogs running FEO are not eligible to receive titles or earn placement ribbons. FEO results will not be included in the posted trial results.

    - If space remains after all qualified entries are accommodated on Sunday, May 11, 2025, then we will offer spaces for those who wish to run a dog For Exhibition Only (FEO). Second dog/handler FEO entries on the same day will be offered spaces after Wednesday, May 14, 2025.

- The trial host of an event has the right to refuse entry of any competitor or dog for just cause as approved by the National Trial Committee. Just cause includes lack of adherence to NACSW rules and guidelines and the policies outlined in each event entry premium.

- Some trial entries may be given priority entry based on contributions to the organization and the trial process.

LOCATION DETAILS

ADA Site Specific Conditions

Pathways to/from the restrooms and many search areas are paved, stone, or sidewalk. Some pathways to/from search areas, as well as within some search areas, may require you to navigate grass, gravel, stone/brick pathways, or dirt. The terrain is mild and moderate but there is some uphill walking. There may be stairways, steps, or bleachers, with or without handrails, entering or within the search areas. Interior floors may be of any material and may be carpet or shiny. There will be driving to search areas and long walks. Some buildings have multiple levels; most have an elevator but some do not. The elevator may be at another part of the building.

Trial Conditions

Modeled after real-life detection work, NACSW trials are held in many different locations, with a variety of terrain, under varying weather conditions. Dogs and handlers need to be able to safely negotiate a variety of surfaces, including, but not limited to, tile, linoleum, carpeting, gravel, asphalt, uneven surfaces, and slippery footing. Handlers should be prepared to deal with a variety of weather conditions, including heat, cold, rain and snow. Trials frequently require covering extensive distances to get to and from the parking area to each of the search areas and generally require that this be done across natural, uneven surfaces. Handlers should be prepared for the physical demands and must be able to navigate the terrain with their dog accordingly. Participants should expect to spend most of the day outside or in their vehicles as there are rarely indoor crating options at trials. Please be prepared for you and your canine partner to deal with all of these varying environmental challenges. Handlers should familiarize themselves with potential regional risks and health concerns that may affect themselves or their dogs. Handlers agree that they are entering this trial at their own risk.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, these conditions may be modified at the last minute.

Parking:

This trial location is on a university campus. The university is divided into two main parts of the campus: the academic side and the athletic side, separated by U.S. Route 15. Each trial day may

be located on a separate side of campus. The host will make best efforts to indicate in the final details email which side of the campus you should report to. However, this information may change last minute and competitors will be notified the day before or signs will be posted directing you to the location. There is parking on both sides of the campus. Since this trial takes place during late spring, competitors should be prepared for all types of conditions, including warm/hot conditions, in the parking lot. There is no shade in the competitor parking lot. Due to unforeseen conditions, such as weather or change in the availability of areas at the location, the expected search areas, parking, and pathways to the search areas may be modified at the last minute. There is likely an indoor crating option. Details will be provided in the final details letter.

Reactive Dog Parking:

There will be a small reactive dog parking area at this trial for those who wish to park in this area. There will be a reactive dog potty area, however this may be a smaller area or longer walk. There will not be separate warm up boxes. Due to unforeseen conditions, such as weather or change in availability of areas at the location, this policy may be modified at the last minute.

Unentered Dogs

Unentered dogs must remain in the competitor's vehicle during the trial day. There will be ample potty areas, but unentered dogs should not be allowed to "play," exercise, or train on the trial grounds.

RV Parking:

This trial location has limited RV parking during the day for competitors and volunteers. There is also limited RV parking overnight. RVs must be fully self-contained (the facility does not provide water, electricity, gas or sewage dump). Overnight parking may be located on either side of the camps - a final reservation email will be sent if you reserved a space. To reserve a space you will need to contact the host after you receive a confirmation that you have received a space in the event. Please email WonderWoman@redhuskies.com to reserve RV space. You will need to pre-register your vehicle with Public Safety by emailing the host with your make/model/tag number and number of occupants. Additionally, there are other sites, campgrounds, and RV parks that allow overnight RV parking with some offering possible water, electricity, sewage, etc. It is the competitor/volunteer's responsibility to reserve a space with the host or make other (overnight) arrangements for their RV outside of trial hours.

Running Vehicles or Generators in the Parking Lot:

Running your vehicles or generators in the parking lot is allowed at this trial. We ask that you show consideration for fellow competitors parked near you, remain away from staging areas, warm up boxes and parking lot numbers. There may be a separate parking area for those needing to run generators due to exhaust and noise.

May weather in Maryland is typically warm and can be hot. You may wish to run your vehicle to keep cool.

Due to unforeseen conditions, such as weather or change in the availability of areas at the location, this policy may be modified at the last minute.

Facility/Site Prohibitive Restrictions (e.g., smoking, firearms, alcohol, drugs, video)
There is no smoking, firearms, alcohol or drugs allowed at this location.

Hotels and Directions:

There are hotels located within 20 minutes from the site.

DOG INFORMATION

Dog Policies

- All dogs must be on a 6' leash at all times when not being tested. NO flexi-leashes while not participating in a competition search.
- Dogs that need space from dogs may wear a red bandana, provided by the dog's handler, to help signal others that the dog needs extra space from other dogs.
- Dogs will be toileted in designated areas and handlers must pick-up and dispose of waste.
- Dogs and handlers must stay in designated areas to avoid contaminating testing space, interrupting a test, or from viewing any part of the testing.
- Competitors should expect to keep their dogs confined in a crate or vehicle when not competing. The logistics of a trial typically do not allow for dogs to hang out on leash in between searches. Competitors should plan to provide their own shade using canopies or shade cloths.
- Refer to Location Details (above) for information on unentered dogs.

Females in Season

Females in season will be allowed to run wearing "pants" at the end of each search after all other dogs have been judged. Handlers with females in season should park and toilet their dogs away from the other dogs if the location logistics permit. Handlers must contact WonderWoman@redhuskies.com so plans can be made for the dog.

OTHER INFORMATION

COVID-19 Information

Event attendees are required to adhere to the NACSW COVID-19 Event Guidelines and Rules
In addition to those guidelines the following changes and guidelines are in effect for this trial due to COVID-19.

- All attendees must bring a face mask in the event mask policies change for this area. The type of face mask and how to properly wear the face mask must align with CDC guidance found here.
- All attendees are asked to bring their own hand sanitizer and disinfectant wipes.

If there are any significant changes or updates after the draw period, entrants will be notified via email. Competitors are responsible for staying up to date on any jurisdictional requirements for their home location as well as the trial location including any travel guidance.

Rules
Complete rules are available at www.NACSW.net. **It is the responsibility of each competitor to read and understand the current NACSW Rule book prior to participating in a NACSW event.**

Liability
By registering for the trial, the competitor hereby assumes all risks of, and responsibility for, accidents and/or damage to her/himself or to her/his property or to others, resulting from the actions of her/his dog. The competitor expressly agree that the NACSW, Red Huskies and its assignees or any other person, or persons, of said groups, shall not be held liable personally, or collectively, under any circumstances, for injury, and/or damage to her/himself, for loss or injury to property, whether due to uncontrolled dogs or negligence of any member of said groups, or any other cause, or causes. The competitor also agrees to assume all financial liability that may be incurred by the NACSW due to the actions of themselves or their dogs regardless of the cause.

Sportsmanship
All competitors/handlers and spectators are expected to follow the rules of the NACSW and demonstrate good sportsmanship. This includes making sure the hide placements are unknown to the handler prior to testing and kept secret from other competitors. Please do not discuss hide placement or any details of a dog's performance that may provide information or clues to other handlers or may be overheard.

Summit League Titles
The SMT Title is earned by placing in the top 20% overall of competing teams at a Summit League Trial.

No. of Competing Teams	No. of Titles to be Awarded
0 to 4	0
5 to 9	1
10 to 14	2
15 to 19	3
20 to 24	4
25 to 29	5

In the event of a tie for the last titling placement, both teams would receive a title. For example, if there are 25 competing teams and there was a tie for 5th place, both teams would receive a SMT title for a total of 6 titles given at that trial.

NACSW Results
Results for each search and overall will be posted after all searches are completed and scores

are verified for you to record your results for your own records. It is your responsibility to ensure your scores are accurate prior to leaving trial grounds. If a discrepancy cannot be verified at the trial, you may be instructed to submit a score card review request. It is not the responsibility of the host or NACSW to return score sheets that are left behind or to mail ribbons that are not picked up.

Spectators:

Additional guests are welcome, however spectating opportunities may be limited.
Please verify attendance policies with the host before bringing or inviting anyone not volunteering, competing, or officiating.
Please contact WonderWoman@redhuskies.com if you have further questions.

Spectators may not photograph or video searches.

An adult accompanying a minor must be present during the searches.
Everyone at the trial site must sign the waiver provided by the host and comply with all event requirements.

Videos may not be made public until completion of the event day.
At the host's discretion, a photographer and/or video service may be present during the event to offer photos and/or videos for sale to the handlers. Red Huskies Nose Work will be taking video of the searches. Details will be available in the final details letter and at check-in.

There is no photography or video allowed by spectators or volunteers.

As a condition of your entry, you agree to allow NACSW, or their agents, to video you and your dog during the entirety of the NACSW event. These videos are the property of NACSW. All handlers, through entry at any NACSW event, waive any and all rights relative to video broadcast or photography of such event.
