TRIAL ENTRY INFORMATION

Trial Entry Open and Closing

- The draw period for the trial will open on Wednesday, February 25, 2026 at 12:00 PM noon Eastern Time. Entries will be awarded by random draw of all entries received between 12:00 PM noon Eastern Time on Wednesday, February 25, 2026 and 12:00 PM noon Eastern Time on Friday, February 27, 2026.
- Trial entry will close at the end of the draw if the trial and wait list are deemed full. If the trial and wait list are not full, the trial will remain open for entries until they are deemed full or the day of the trial.
- We will not be taking payment until you are given a space in the trial. If you are given a space in the trial, you will receive information on how to submit payment. You will then have **3 days** to complete your payment to confirm your space in the trial.

Entry Method

All entries will be on-line via the link provided to the NACSW trial entry form. Paper and phone entries will not be accepted. Completing the form is not a guarantee of entry. You will receive a confirmation from WonderWoman@redhuskies.com to let you know if your entry has been given a space in the trial.

Entry Requirements & Selection

A Qualified Entry is one that meets all the following criteria:

1. Complete the on-line trial entry during the draw period listed above.
2. The Handler is a NACSW member in good standing for the 2025-2026 membership year (8/1/25 - 7/31/26).
3. The Dog is registered and in good standing with the NACSW.
4. Dogs participating in a trial must be at least one year of age.
5. The Dog has achieved the prior title level and ORT title (passed all 3 odors) at least 14 days before the trial opens for entries. This applies to all levels.
6. Qualified entry for NW3 – Dog has earned a NW2 title and has not yet earned the NW3 Elite title level.
Qualified entry for Elite – Dog has earned a NW3 elite title and has not yet earned an ELT-CH title.

Trial spaces will be determined in the following manner:

- Spaces will be awarded by a random draw of all Qualified Entries received during the draw period listed above.
- Once the trial opens for entry, if you are having technical difficulties entering during the 48 hour draw period, please email trialentry@nacsw.net prior to the end of the draw period. For any other questions that are not related to the trial entry system, contact the trial host.

- No dog will be given a space in more than one trial of the same level and type at a single event.
- You may enter multiple dogs for entry in the draw. However, only one dog/handler per title level will be accepted into the trial. Entry will go to the dog selected in the draw – you may not swap to an alternate dog. If multiple dogs are selected in the draw, you may select which dog you wish to enter. Once a dog has been entered as a second dog/handler entry, you may not swap handlers after the draw to change the entry to a first dog/handler unless the trial is not full.
- If a trial level is not full after the draw of Qualified Entries, then there will be a Secondary Draw of any entries received that did not meet the ORT title or title requirements. These entries will be accepted pending completion of the requirements. **Note:** dogs must earn their ORT title and prior title level at least 3 days prior to the trial date to be eligible to compete. If the required title or ORT title is earned less than 14 days prior to the event, it is the competitor's responsibility to notify the host that the requirement has been completed.
- If the trial level and wait list are not full after all entries received during the draw period have been processed, entries will continue to be accepted in the order they are received until the trial and wait list are deemed full.
- For Exhibit Only Dogs (FEO): Dogs running FEO are not eligible to receive titles or earn placement ribbons. FEO results will not be included in the posted trial results.
 - If space remains after all qualified entries are accommodated on Monday, April 6, 2026, then we will offer spaces for those who wish to run a dog For Exhibition Only (FEO). Second dog/handler FEO entries on the same day will be offered spaces after Thursday, April 9, 2026.
- The trial host of an event has the right to refuse entry of any competitor or dog for just cause as approved by the National Trial Committee. Just cause includes lack of adherence to NACSW rules and guidelines and the policies outlined in each event entry premium.
- Some trial entries may be given priority entry based on contributions to the organization and the trial process.

If the trial cannot take place or be completed by reason of fire, civil disturbances, an Act of God, public emergency, or any other cause beyond the control of the trial organizers, then the trial host

will make their best effort to provide partial refunds after recouping their expenses.

LOCATION DETAILS

ADA Site Specific Conditions

This trial location is located on a working farm and brewery, with daily operations and livestock. There may be searches on the farm not open to the public and therefore may not be fully ADA compliant. Indoor restrooms will only be available when searches indoors permit. There will be port-a-johns located near or in the competitor parking lot when the indoor restroom is not available. The parking lot is in a packed gravel or grassy lot and in some areas can be hilly. Pathways to the search areas may be paved, loose gravel, grassy lawn, brick or stone paving and are mostly a short walk. There is handicap parking available but driving to search areas may not be available or limited. Most searches are on ground level although there may be a step or two into buildings or within search areas. Interior floors are mostly concrete or sealed concrete, maybe some tile. Some flooring could be slippery. Exterior search areas may be on concrete, sealed concrete, pavement, gravel, dirt or grass. Vehicle searches are likely on grass or packed gravel.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, these conditions may be modified at the last minute.

Trial Conditions

Modeled after real-life detection work, NACSW trials are held in many different locations, with a variety of terrain, under varying weather conditions. Dogs and handlers need to be able to safely negotiate a variety of surfaces, including, but not limited to, tile, linoleum, carpeting, gravel, asphalt, uneven surfaces, and slippery footing. Handlers should be prepared to deal with a variety of weather conditions, including heat, cold, rain and snow. Trials frequently require covering extensive distances to get to and from the parking area to each of the search areas and generally require that this be done across natural, uneven surfaces. Handlers should be prepared for the physical demands and must be able to navigate the terrain with their dog accordingly. Participants should expect to spend most of the day outside or in their vehicles as there are rarely indoor crating options at trials. Please be prepared for you and your canine partner to deal with all of these varying environmental challenges. Handlers should familiarize themselves with potential regional risks and health concerns that may affect themselves or their dogs. Handlers agree that they are entering this trial at their own risk.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, these conditions may be modified at the last minute.

Parking:

Parking is located at the end of a long driveway. There are two parking areas - a grass lot and a packed gravel lot. Parking will be in one of these lots depending on the day of the trial. There is no shade in the competitor parking lot. Since this trial takes place during Spring, competitors should be prepared for either warm or cool conditions in the parking lot (see running cars in parking lot below). Due to unforeseen conditions, such as weather or change in the availability of areas at the location, the expected search areas, parking, and pathways to the search areas may be modified at the last minute.

Reactive Dog Parking:

There will be reactive dog parking area at this trial for those who wish to park in this area. There will be a reactive dog potty area, however this may be a smaller area or longer walk. There will not be separate warm up boxes. Due to unforeseen conditions, such as weather or change in availability of areas at the location, this policy may be modified at the last minute.

Unentered Dogs

Unentered dogs must remain in the competitor's vehicle during the trial day. There will be ample potty areas, but unentered dogs should not be allowed to "play," exercise, or train on the trial grounds.

RV Parking:

This trial location has some RV parking during the day for competitors and volunteers. Overnight RV parking is not allowed at this trial location. There are other sites, campgrounds, and RV parks that allow overnight RV parking with some offering possible water, electricity, sewage, etc.

Running Vehicles or Generators in the Parking Lot:

Running your vehicles in the parking lot is allowed at this trial. Running generators are not allowed. We ask that you show consideration for fellow competitors parked near you, remain away from staging areas, warm up boxes and parking lot numbers. There may be a separate parking area for those needing to run vehicles due to exhaust and noise. This policy can change at any time.

April weather in Maryland is typically cool/warm. You may wish to run your vehicle to keep warm/cool. Due to unforeseen conditions, such as weather or change in the availability of areas at the location, this policy may be modified at the last minute.

Facility/Site Prohibitive Restrictions (e.g., smoking, firearms, alcohol, drugs, video)

There is no smoking, vaping, firearms, alcohol or drugs allowed at this location. Participants must not walk/wander off the property or into neighboring properties. Participants must also keep distance between their dog and the Manor's livestock and cannot disturb the animals. Participants cannot park on the road or block the road. Everyone must exit the property by 7pm.

Hotels and Directions:

There are hotels located within 20 minutes from the site. You can try Ellicott City, Columbia, or Clarksville for close hotels.

DOG INFORMATION

Dog Policies

- All dogs must be on a 6' leash at all times when not being tested. NO flexi-leashes while not participating in a competition search.
- Dogs that need space from dogs may wear a red bandana, provided by the dog's handler, to help signal others that the dog needs extra space from other dogs.
- Dogs will be toileted in designated areas and handlers must pick-up and dispose of waste.
- Dogs and handlers must stay in designated areas to avoid contaminating testing space, interrupting a test, or from viewing any part of the testing.
- Competitors should expect to keep their dogs confined in a crate or vehicle when not competing. The logistics of a trial typically do not allow for dogs to hang out on leash in between searches. Competitors should plan to provide their own shade using canopies or shade cloths.
- Refer to Location Details (above) for information on unentered dogs.

Females in Season

Females in season will be allowed to run wearing "pants" at the end of each search after all other dogs have been judged. Handlers with females in season should park and toilet their dogs away from the other dogs if the location logistics permit. Handlers must contact WonderWoman@redhuskies.com so plans can be made for the dog.
